

This architectural rendering shows a proposed 10-story mixed-use building at 1000 15th Avenue. The design features a modern, multi-story structure with a mix of materials, including light-colored panels and darker accents. The ground floor is designed for retail or commercial use, while the upper floors are residential, featuring balconies and large windows. The building is situated on a street corner with trees and a sidewalk, and a rendering of a car and bicycles is included to show scale.
