

This architectural rendering shows a proposed 10-story mixed-use building at 1000 15th Avenue. The building features a modern design with a mix of materials, including light-colored panels and darker accents. It has multiple balconies, some with glass railings, and a ground floor with large windows and entrances, suggesting retail or public use. The building is situated on a street corner with trees and a sidewalk. People are shown walking and cycling, giving a sense of scale and urban context.

| SURFACE HABITABLE (m²)          |            |                 |
|---------------------------------|------------|-----------------|
| Séjour Cuisine                  |            | 24,44 m²        |
| Chambre 1                       |            | 11,67 m²        |
